The Warriors Welcome

...you to the 37th Annual Woodlan Invitational Wrestling Tournament. We will be using three mats for all matches except the championship round. The top wrestler in each bracket will be green and home on the scoreboard with the bottom wrestler red and visitor on the scoreboard. We will begin Session II immediately after the lunch break with wrestle-back matches. At the conclusion of the wrestle back round, we will have a brief intermission then we will go to the consolation place round beginning with the 106 lb. class.

Matches for each weight class will follow the bracket shown below. Winners of the first round will advance in the championship bracket and losers will fall to the consolation bracket below. The losers in the championship bracket in the second round will be cross-bracketed into the consolation bracket below to determine 3rd and 5th place matches. In the event a wrestler is paired against an opponent they wrestled in the tournament, they will wrestle again to either advance to the 3rd/4th or 5th/6th place match. The first match has no bearing on the outcome of the second match.

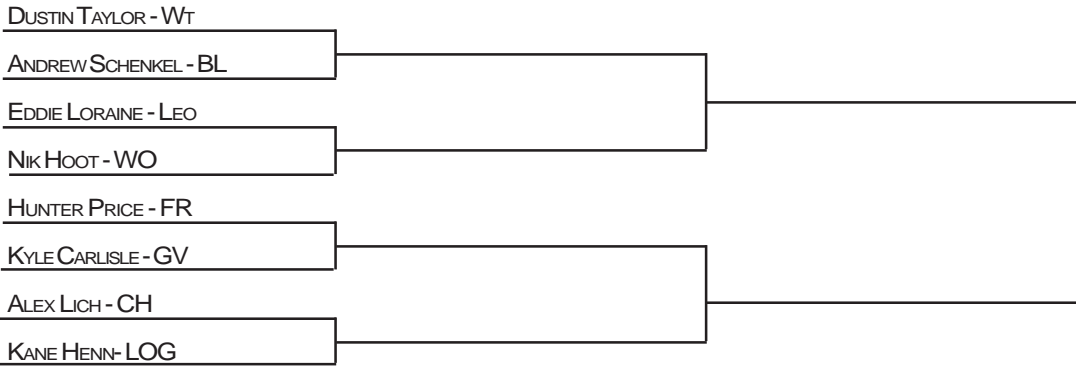

2011 Individual Champions
